## FREQUENTLY ASKED QUESTIONS (FAQS)

### **Who can apply?**

If you are between the ages of 15 – 25 with a statutory care experience and you are a clubCREATE member, you can apply for this grant. If you do not yet have a membership number, please put the date which you joined clubCREATE on the application form. CREATE does not require proof of your statutory care experience, however you are required to be a clubCREATE member.

### **What if I have received a CREATE Your Future Grant before in previous years?**

You are eligible to apply again, especially if your grant is for continuing educational needs.

### **How do I complete a CREATE Your Future Grant Application?**

Easy! Simply download a copy of the CREATE Your Future Grant Scheme Application Form and Checklist from [www.create.org.au](http://www.create.org.au), fill it in and send us through your complete application by the due date.

### **Get a written quote...**

#### **What does that mean?**

At CREATE, we need quotes from you so we can see what you would like to request funding for. For instance, if you would like to do a course you will need to;

1. Find the organisation that offers the course;
2. Go and get a quote for the cost of the course; and
3. Attach the quote to your application form.

### **What makes a CREATE Your Future Grant Scheme Application great?**

The best applications we receive are the ones that are completed in full. If an application is lodged that does not have all

the information we need, it will be deemed ineligible (which means that we can't assess your application).

### **Can someone help me complete my Application?**

We encourage all young people to complete the CREATE Your Future Application Form on their own, however you can receive assistance to do so. If you do receive assistance please let us know. If there is no one who can help, please email [CYFgrants@create.org.au](mailto:CYFgrants@create.org.au)

### **What if I am not successful?**

You will be sent a letter within 3 weeks of the closing date advising you if you have not been successful. CREATE receives heaps of applications and unfortunately we don't have the funds to support each and every applicant. We do realise that it is disappointing if you miss out and we appreciate your understanding with us and our staff if you are not successful.

### **Cool, so where do I send my application?**

At the end of the application form, there are details to email or post your application. You can also complete this application form online by visiting the CREATE website [www.create.org.au](http://www.create.org.au)

If you require any more additional information please contact CREATE Foundation in your State or Territory on 1800 655 105 or email [CYFgrants@create.org.au](mailto:CYFgrants@create.org.au)

### **Thank you for your application.**
