CREATE Foundation were invited to DCP’s Residential care XMAS Party at Semaphore Slides, greeted by a great big water slide that had everyone running back and forth to keep cool.

CREATE also had their badge making station going at full speed making Xmas badges for everyone.

Father Xmas made an appearance alongside Claudine our State Coordinator handing out some great plush Xmas toys for all the young people who attended this great event.
The Great Race is a fantastic way of knowing where post support services are located and what they can assist you with once leaving care.

We visited HYPA (Helping Young People Achieve) St Johns Youth service and Relationships Australia. We had someone greet us on arrival, show us around and give a brief talk on what support they can provide for young people leaving care.

This has been CREATE’s largest Xmas connection event so far with over 330 young people attending.

With two hours of free games, water slides, dodgem cars, bumper boats and more, you couldn’t wipe the smiles off the faces of everyone involved.

Such a great connection event bringing young people together to share and experience a wonderful day at the BEACHOUSE.
Have a Great Day Out at the BROCAS house Woodville connecting with your siblings.

At BROCAS house there will be a DJ, face painting, balloon twisting, BBQ, a jumping castle and lots more fun outdoor activities.

This gives young people a chance to connect with their siblings that they may not see as often as they would like to engage, connect and have some fun.

Beat the clock or the other team and escape by finding and following clues in the room and in hidden messages.

A really fun and exciting activity which is enjoyed by all.

Spots are very limited due to numbers in each room so please book in quick to reserve a spot!

CREATE’s Annual SUP camp at the WOODHOUSE in April will see the arrival of new young people to complete Speak up Program.

Now Young Consultants from previous SUP camps are looking forward to engage and co facilitate the SUP program with CREATE Staff.

We’ll also tackle challenge hill, the zip line flying fox and the GIANT swing.

Also a new arrival to the WOODHOUSE is the giant dry slide with tubes. Such a great place to great way to meet new people and become a Young Consultant for CREATE Foundation.
