Hello to all our amazing clubCREATE members! CREATE have been up to lots over the last couple of months and are super excited to share what we have been up to with you all!

We have had to face some big challenges with COVID these last few months, but we have banded together with the young people to support each other and get through it together!

On March 13, CREATE ran an awesome Connection event in Kalgoorlie. Phew! We were lucky to squeeze this one in just before events weren’t allowed to happen anymore (thanks to COVID-19!)

We had a great crew turn up for a bonanza of Rock Climbing, free reign of the gymnastics equipment, some disco moves and some wicked craft-making of cardboard electric guitars. It was a great happening and a great chance for people to catch up with others who have a care experience. Oh – and we realised - Kalgoorlie peeps are the best peeps!
In February we collaborated with Youth Propel Arts as part of the KickstART Festival and participated in the Sketchbook Project! As part of this project 14 young people received a blank sketchbook, which they decorated with personal designs, stories and drawings. These sketchbooks will soon be sent on a travelling art exhibition and be displayed in art galleries and libraries all over Australia over the next year! A big thankyou to Youth Propel Arts for helping make this happen!

We ran our first ever online Speak Up (Level 2) in April! We loved having young people from all over the state being involved in this, which was super exciting! All the young people involved also got pizza delivered to their doorsteps. Just because we can't meet Face to face doesn't mean we can't have snacks!

As many of you know, in April the COVID situation affected many businesses including CREATE. However, we still thought it was super important to keep the connection with young people going, so we modified all our programs and took them all online! This was an interesting experience for both staff and young people, however we were so glad that we could still see all our young people, and give everyone that was stuck in their homes something to do! A big thankyou to all our members who were so patient while we navigated this new way of running programs!
**Self-care Strategies**

At our April Online YAG we asked the young people ‘What are you doing for self care right now?’

Here are some of the things some ClubCREATE members are doing to self-care right now:

“Going for walks as much as I can” (F, 17)
“Colouring in mandalas” (F, 17)
“Facetime family or friends you can’t go and see” (M, 16)
“Knitting and painting” (F, 19)
“Playing SIMS – helps me get a sense of control” (F, 19)
“Baking and cooking” (F, 16)
“Reading a book or watching TV” (F, 25)
“Washing hands a lot and sneezing into my elbow” (M, 16)
“Remembering that others are struggling so as not to feel alone “Talking to friends (I have more time for it now)” (F, 17)

**Pamper Night**

In February we had a lovely well deserved Pamper Night session. Lush Cosmetics kindly donated a bunch of face scrubs, body washes, face masks and moisturisers so we had a bunch of young people spend the night eating snacks and pampering themselves. Check out our Community Facilitators Kym and Elly in their gorgeous facemasks on the night!

What a lovely evening.
