

WHAT'S BEEN HAPPENING?

Hey peeps! Well, it's been great to catch up with so many clubCREATE members in person. We've run heaps of events, so this edition is jam packed with reports and photos!!

As always, our Christmas party was a hit! Recent YAGs and CYF workshops were some of the best ever. Read about these events here. We don't have room to report on everything we've done though, like running the Transition to Independence webinar and joining the Putalina Festival.

We can also announce that Speak Up camps have become regular! If you are 12+ and want to learn the skills to speak up for yourself, ask about camp!

On the back, find the dates for more great CREATE activities coming up.

CHRISTMAS PARTY 2020

The CREATE Christmas Party at Airtime 360 in December 2020 was a huge success! Over 210 children, young people and families joined from around the State. The Launceston Rotary Club provided a delicious BBQ and there were plenty of activities on offer, such as face-painting, photo booth, craft activities and of course Airtime's laser tag and trampolines.

A special mention to the six young consultants, Ella, Bec, Derek, Tara, Grace and Lara who volunteered on the day. The Tas CREATE team would like to thank you all for your amazing effort and festive spirit! It was a truly fun-filled and enjoyable day and a wonderful way to top off the year!

Thank you also to Santa, for making a special trip down from the North Pole for the day as well!

YAG!

During November, the TAS Team made our way to Devonport for a fabulous Youth Advisory Group.

Young People came together to share their experiences and ideas on court processes within Child Safety.

We had a whopping 16 Young People attend! That's a lot of voices contributing towards a better care system. A huge shout out to everyone who contributed, your input is so valued.

As always, we had a fabulous activity to enjoy after our chat. This time we had a couple of games of Ten Pin Bowling and enjoyed pizza for dinner. New friendships were made and it was fabulous to catch up with everyone.

Do you have some ideas on fun activities we could do for our upcoming YAG's in your area? Get in touch with the TAS team to share your thoughts, we would love some new ideas.

CALL YOUR SHOTS

CREATE Your Future's workshop, 'Call Your Shots' in November 2020 was our first face to face workshop in a while, out at Fusion Ropes, Kingston! In the morning, CREATE Tas ran 'Call Your Shots', which was all about youth participation and ways that young people can get involved in their community.

After lunch, Dave from Fusion took the group through a low ropes course, which focused on building essential skills around team building and group participation.

It was great to get outside in the sunshine and have a bit of fun!

CREATE Tas would like to thank the young people who attended.

In 2021, hopefully we will be able to head out to Fusion again to tackle the high ropes course!

UPCOMING EVENT

Our Speak Up Camps have become a regular! Speak Up is about Leadership Training. The 3 module program equips you with the skills to Speak Up for yourself and other young people to advocate for positive change in the care system. Every year young people from around Tasmania undertake Speak Up Level 1, then we come together on Camp and do Levels 2 and 3.

It's a great program that builds skills and confidence, plus camp is always jam packed with lots of fun activities from High Ropes, Trampolining and late Movie nights! Lasting friendships have been made on these camps. To find out about our next Speak Up Program and Camp, get in contact!
