

## WHAT'S BEEN HAPPENING?

### CREATE Display at DCP

We decorated the DCP Flinders Street Building in Adelaide with some art from the Hour of Power and National Conference. Thanks to all the young people who contributed to this work of art!

With a brand new venue and look to Sibling Day we bounced straight into it at LATITUDE. We had the whole center booked out for CREATE Foundation for 2 whole hours of high flying bouncing, climbing Ninja fun.

With thanks to Fiona Endacott from Connecting Foster and Kinship Carers for funding a cuppa for the carers, and having an information stall about their work and services.

# PIRIE YAG

We finally were able to get to Port Pirie and held a YAG in partnership with Muggy's Country, with some amazing Young People. We were lucky enough to hear from young people about their views around living rurally: the challenges and strengths.

## PORT PIRIE CONNECTION EVENT

What an amazing turn out to the Port Pirie Connection event at Bowland.

We had over 60 children and young people as well as the workers and carers come along to join in the fun.

Our CREATE team is hoping to do more regional trips in the coming years. Watch this space!
