

WHAT'S BEEN HAPPENING? ?

Hello clubCREATE members,

As we wrap up this incredible year, I want to say thank you to all of you!

We couldn't have done it without your support. Thank you for being a constant presence online and face to face at all our events. Change begins with you - our clubCREATE members.

We can't wait to see what next year brings for us!

Always feel free to get in touch with us - We would love to hear from you. Our contact details are on the back on this Round Up.

FAMILY CONNECTION

Whatever "family" means to you, CREATE NSW has your back!

We gathered at Amazement Farm and Fun Park for a fun filled day out with heaps of games in the mazes. There were train rides, camel feeding, a petting zoo, pony rides, and reptile experiences.

Seeing the community connect over lunch and young people as young as 5 holding a snake is definitely a highlight of our day.

You are all too amazing!

"The theme park was a fun place to be. Everyone enjoyed the lunch, it was pizza! Yum! We encountered lots of animals! Thanks CREATE for the fun day"

- YP, 10

CREATE IN THE MEDIA

If you haven't noticed, CREATE NSW has been working closely with the media to get our messages out into the community.

Of course it couldn't have happened without our superstars - the Young Consultants.

Check out their story on SBS: 'LOOK AT THE WOMAN I'VE BECOME': ABORIGINAL ENTREPRENEUR ON OVERCOMING TRAUMA

Or the story on ABC's the Drum: New report sheds light on experiences of young people leaving out-of-home care

Like them, your voices matter in creating change. Join our Speak up program today to become a CREATE Young Consultant.

YOUTH ADVISORY GROUP

It's always a fun time at our Youth Advisory Group (YAG).

Want to hang out with people who understand you? We've all had some form of care experience here.

Young people join us on a monthly basis, whether online or face to face, to get to know each other, make friends and discuss ways to create change in the system.

It's a yarn over some food and a fun activity afterwards.

Whats not to like?

Last time, we went bowling in Newcastle. It was CREATE team verses the young people. Its an easy guess who the winner was, the young people's energy and stamina beat us all.

Join us next time, if you are keen!

CREATE IN NSW

Its been a busy few months.

CREATE NSW was in Granville for youth week with Cumberland council, family week in Bathurst with the department of education.

We had planed for more engagement but sadly Covid got in the way.

Fear not, events have been re-schedule, not canceled.

You will be seeing more of us in your local areas and events.

If you miss us, just get in touch today! Anytime is a good time to chat with the CREATE team

We had a low key family night in at our movie connection.

Families got together, have a yarn, build some connection over food before the screening.

The movie on show was Spider-Man: Into the Spider-Verse. It was a hit! We all had a good laugh, gripping in our seat with excitement and popcorn and drinks to cool us down.

What an amazing time spent together.

Watch this space for more connection events coming out!
