You are able to apply again.

How do I complete a CREATE Your Future Grant Application?

There are a few ways you can do this, the easiest option would be by clicking this link and filling out the [Application Form online](#). Other options would be printing the Application Form and filling it in and either posting to us or emailing to us.

What if I want a different laptop and not the preselected one?

The laptops have been pre-selected and CREATE is unable to approve any requests for alternative laptops/ devices.

Can I apply if I don't yet have my learners permit?

Unfortunately no. You must hold a valid learners permit to apply for the driving lessons.

What makes a CREATE Your Future Grant Scheme Application great?

The best applications we receive are the ones that are completed in full. If an application is lodged that does not have all the information we need, it will be deemed ineligible (which means that we can't assess your application).

Can someone help me complete my Application?

We encourage all young people to complete the CREATE Your Future Application Form on their own however, you can receive assistance to do so.

What if I am not successful?

You will be sent a letter or email advising you if your application has been successful or not. CREATE receives heaps of applications and unfortunately we do not have the funds to support every application that we receive so not all will be approved.

We do realise that it is disappointing for young people if you miss out and we appreciate your understanding if you are not successful.

BEFORE COMPLETING YOUR APPLICATION FORM

Please note: If you are applying for the Driving Lessons Grant, you **must** attach a copy of your valid Learner's Permit.

Also if you are applying for an Learning and Education Grant you must provide details of any course or conference, and provide quotations from suppliers or providers for courses, conferences, tutoring, resources and books.
