

Help us make better laws to help you

ACT
Government

The ACT Government wants to change laws to help young people better. These laws are for young people up to 18 years old.

One of the laws is about making sure young people can have their say and be listened to.

It will mean young people have to be included in decisions that are about them and their life.

We want to know how young people want to be included.

If you are, or have been, involved with child protection, come to our workshop to tell us what you think.

To say thank you, we will give you a group movie pass. Spots are limited.

When: 4 November 2023, 1:00pm-4:00pm

Where: CREATE Office Corner of Cooyong Street and Scotts Crossing, Canberra City
