

Help us make better laws to help you

ACT
Government

The ACT Government wants to change laws to help kids in a better way. These laws are for kids 0 to 18 years old.

One of the laws is about making sure kids can have their say and be listened to.

It will mean kids have to be included in decisions that are about them and their life.

We want to know how kids want to be included.

If you are, or have been, involved with child protection, come to our workshop to tell us what you think. It will involve fun art activities.

To say thank you, we will give you a group movie pass. Spots are limited.

When: 4 November 2023, 10:00am-11:30am

Where: CREATE Office. Corner of Cooyong Street and Scotts Crossing, Canberra City
