

## CREATE Foundation Role Profile

<b>Position title:</b>	Advocacy Lead – TAS
<b>Location:</b>	CREATE Foundation office, Hobart, Tasmania
<b>Reports to:</b>	National Advocacy Director
<b>Salary Range:</b>	SCHADS 5.1 plus superannuation and salary sacrificing
<b>Term:</b>	12 months Fixed Term
<b>Hours:</b>	Part time, 0.6 FTE (22.8 hours per week)

## Position Statement

### Primary purpose of the role

To fulfil CREATE's strategic objectives by supporting the facilitation of the voice of children and young people in effective systems advocacy that influences public policy and improves outcomes for children and young people with a care experience.

### Position context and specific job requirements

- Work effectively as part of the national advocacy team in a fast-paced environment, with many competing deadlines. This includes being located and working with the multi-disciplinary state or territory team for the jurisdiction where you lead advocacy.
- Assist in collecting insights from children and young people in a trauma informed way. This includes leading the design of lines of inquiry with children and young people, conducting interviews and co-facilitating design workshops, policy roundtables, meetings and other small group sessions with children and young people to hear and document their voices.
- Review literature, service and research data, policy documents and practice frameworks relevant to out-of-home care and related sectors.
- Use these multiple sources of information to develop CREATE's consultations, policy submissions, briefing papers, media statements and other advocacy products.
- Prepare quality/accurate reports utilising CREATE's established templates and Style Guide.
- Contribute to the organisation's policy and consultation agenda and assist the process as outlined in the specific project plan and /or individual work plans.
- Maintain a comprehensive understanding of issues and trends in the out-of-home care, child protection sector, alongside child rights and child participation.
- Conduct monitoring of media coverage and sector developments in state.

- Assist in the promotion of CREATE's advocacy position to key stakeholders. This includes developing and maintain relationships with sector and government stakeholders, attending meetings on behalf of CREATE and supporting CREATE's executive to engage in stakeholder meetings e.g. preparing meeting briefs and talking points.
- Assist in the implementation of policy, research and advocacy initiatives.
- Engage in the National Experience to Action Board (Youth) as directed.
- Facilitate, manage and coordinate governance groups (where required) of young people and or stakeholders in line with advocacy initiatives.
- Conduct analysis of themes arising from Youth Advisory Groups and other programs, collect insights and draft summaries of these to share with young people, teams across CREATE, and government and sector stakeholders.
- Engage with CREATE's Marketing and Communications team to supply relevant content for media engagement, social media posts, magazine development, blog posts, newsletters and Advocacy wrap-ups.
- Contribute to national advocacy and priorities as needed. Support other state advocacy as needed, in line with CREATE's priorities.
- Contribute to All Staff advocacy forums and presentations as needed. Support maintenance of CREATE's Advocacy and Research Hub.
- Other tasks as directed.

## Position Specifications

### Key Result Areas

1. Work effectively in a small team, in a fast-paced environment with competing priorities to communicate CREATE's advocacy and policy position internally and externally.
2. Actively contribute to CREATE's research and policy initiatives.
3. Appropriately collect information from children and young people, and/or the OOHC sector to inform CREATE's consultations and policy platform. This includes conducting interviews and participating in meetings or small groups with children and young people to hear and document their voices.
4. Demonstrated strong commitment to CREATE's core principles, and adherence to the National Child Safe Standards.
5. Demonstrated ability to embed cultural appropriate with young people and stakeholders.
6. Prepare quality/accurate reports utilising CREATE's established templates and Style Guide.
7. Prepare or assist in developing submissions, briefing papers and correspondence and meet stated deadlines.
8. Facilitate, manage and coordinate governance groups (where required) of young people and or stakeholders in line with advocacy initiatives.
