

club create

clubCREATE is the gateway to CREATE programs and services and is available nationally for children and young people aged 0 to 25 who are in care or have a care experience. And it's free to join!

member benefits - what you get!

A Welcome Pack to get you started

A birthday message each year celebrating your special day

Invitations to Connection Events where you can meet other clubCREATE members!

clubCREATE mags full of stories, fun activities and comps with great prizes up for grabs

Access to our empowerment programs that prepare you to transition to independence and have your say about being in care

Information about participating in our surveys and consultations to change the care system for the better!
