ONLINE
4:30pm – 7:00pm

Transition to Adulthood

Together, we'll talk about the journey of transitioning to adulthood – what's worked, what hasn't, and what advice you'd give to other young people following in your footsteps. It's a chance to share your experiences, ideas, and hopes for the future in a supportive, relaxed environment with others who get it.

YAGs are for anyone with a care experience aged up to 25 years old
