### Purpose of the position

CREATE Foundation is a systems advocate and national consumer body representing children and young people with an out-of-home care experience. CREATE is an organisation that is mission driven, adaptive, and creative in responding to the emergent needs and aspirations of children and young people.

The Program Facilitator supports the preparation and delivery of CREATE programs and activities for children and young people with a care experience in Victoria. Working as part of the State Programs team, the role collaborates closely with colleagues to deliver trauma-informed programs that support children and young people to connect and share their voices in safe, inclusive and empowering environments.

The role is also responsible for maintaining relationships across the out-of-home care sector to promote membership of clubCREATE and support engagement in CREATE activities and events. This includes connecting with government, case workers, and non-government agencies, and supporting young people to participate in opportunities such as presentations, panels, meetings and interview panels.

This role requires an understanding of trauma-informed practice and issues facing children and young people with a care experience, alongside highly developed communication and interpersonal skills and strong organisational and administrative capability.

### Key responsibilities

#### Program Coordination and Delivery

- Prepare for, coordinate and facilitate programs, activities and events for children and young people with a care experience.
- Complete administration required for successful program delivery including completion of risk assessments, individual needs forms and consent forms.
- Use digital tools and platforms, including social media, email communications and databases, to promote activities, encourage participation, and support program delivery.
- Create safe, inclusive and empowering spaces that encourage participation.
- Support young people to participate in opportunities to have a voice, including presentations, meetings, panels and interview panels as required.

## Relationship Management and Engagement

- Develop and maintain culturally safe and appropriate relationships with children and young people through face-to-face engagement, phone, email and online platforms.
- Communicate effectively and respectfully with children and young people to ensure they are connected to CREATE, informed and supported to have a voice, recognising them as experts by experience.
- Maintain positive relationships with carers, sector partners and stakeholders to promote participation in workshops and clubCREATE membership.
- Work collaboratively with CREATE colleagues to support consistent program delivery and shared learning.

## Data Collection, Reporting and Administration

- Collect and record accurate data on participation and attendance from programs and activities.
- Facilitate the collection of feedback and evaluations from participating young people.
- Maintain accurate records in CREATE databases, including contact and communication with children and young people, program participation, and program activity and outcomes.
- Support the preparation of reporting requirements by contributing participation data and program updates for funding and sponsorship agreements, progress updates, and annual reporting.
- Assist with general administration tasks related to program delivery, including invitations, RSVPs, logistics and materials.

## Organisational Citizenship and Compliance

- Demonstrate a strong commitment to CREATE's Mission, Vision and Core Principles.
- Operate in line with organisational policies, procedures and practice guides.
- Adhere to National Principles for Child Safe Organisations and apply a trauma-informed approach at all times.
- Actively seek to understand, represent and support CREATE's vision, strategic direction and organisational position to all stakeholders, internally and externally.
- Maintain confidentiality, professionalism and integrity in all interactions.
- Contribute positively to team culture and a safe working environment.
- Participate in national CREATE initiatives, projects and events.
- Undertake other reasonable duties consistent with the scope and responsibilities of the role.
